

## **Pathfinder OutSource Manufacturing Dedicates Woodshop**

Pathfinder OutSource Manufacturing dedicated the new woodshop of the division on Wednesday, April 21<sup>st</sup> at their Huntington facility. The woodshop was made possible through a generous donation of \$1,000 from the Duke Energy Foundation.

At the dedication, officials from Pathfinder OutSource Manufacturing demonstrated the capabilities of the woodshop to an official from Duke Energy.

“This is an exciting time for our OutSource Manufacturing division as we now have the capabilities to make customized wooden pens and many more products in the future,” noted Kay Smith, Sales and Operations Coordinator for Pathfinder Services. “Without the generous donation from Duke Energy this woodshop would not have been possible. We would like to thank them again for everything they have done to make our dream a reality,” Smith added.

“Duke Energy places a high value on community development,” said Laura Sheets, Duke Energy north area manager for community relations and economic development. “We are proud to help Pathfinder OutSource Manufacturing reach its goals of helping people in need.”

Also attending the dedication was John Niederman- President of Pathfinder Services, and Loretta Mottram-Senior Director of Business Development of Pathfinder Services accompanied Smith at the dedication.

The OutSource Manufacturing Division of Pathfinder Services, Inc. began with the organization in 1966, and provides outsource manufacturing services throughout Northeast Indiana.
